Care

## PRODUCT DATA SHEET

**Product name:** Exolium® Hoofclear

### General

Exolium® Hoofclear is the care product for the claws of your animals.

Exolium® Hoofclear is a hoofcare product for individual and couple treatment. Application is done by spraying a solution with a low pressure sprayer onto the claw, after the claws have been cleaned with water.

### Composition

Exolium® Hoofclear is based on a spectrum of organic acids, chelated minerals and adhesives.

### Dosage

Dilute Exolium® Hoofclear with water (20% - 50%) and spray this solution directly onto the claw. Repeat the treatment every 7 to 21 days. If desired, Exolium® Hoofclear can be used preventively in the footbath. Ask your supplier about the possibilities.

### Packaging

Bottle of 1 liter, 18 bottles per box, 36 boxes per pallet.

Can of 10 liter, 60 cans per pallet.

Drum of 250 kg, 4 drums per pallet.

### Storage

Storage: Protect against frost.

Shelf life: 3 years after production date based on advised storage conditions.
